

# 2018 TOP DOCS

Welcome to our third annual Top Docs list, a celebration of 99 of the area's finest physicians. To create our 2018 Top Docs list, we asked local physicians to nominate their peers who exemplified excellence in their respective specialties. We collected and vetted hundreds of nominations of licensed physicians practicing in and around Southlake. View profiles of some of the region's best practitioners as well as the complete list of our 99 Top Docs for 2018 in the pages ahead.

*"The physician's highest calling, his only calling, is to make sick people healthy—to heal, as it is termed."*
