Precision Orthopedics & Sports Medicine is proud that all our physicians have been named Southlake Style Top Docs for the fifth year in a row. We have been serving the community and providing compassionate orthopedic care to generations of families since 1992. It is our honor to improve the quality of life for patients of all ages by helping them return to activities they love through the latest sports, spine, joint, knee, shoulder, fracture, and injury treatments. Our Southlake office even offers an express clinic to care for urgent orthopedic needs with no wait. Congratulations to our physicians and thank you to our patients!
